EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims

In claim 1, line 5, "high side walls portions", has been changed to, --high side wall portions--.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The primary reason(s) for allowance in the instant case, is/are the inclusion of the specific two upstanding opposite high side wall portions extending from a middle portion to a rear end of a platform, two low baffle walls formed at a front edge of said high side wall portions and extending perpendicular to the high side wall portions, said baffle walls being adapted to prevent urine ejected by a male dog against said high side wall portions from splashing out, in combination with the other recited structure, now included in the independent claim(s). .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
